

The Green Bough Presents:

IMPROVING YOUR VISION

With Charles Steinberg, O.D.

**Saturday, September 6,
2008, 3-5pm**

The Green Bough, 202 4th St., 2nd Floor, Irwin, PA 15642

Vision is a complex process that involves structure as well as perception. We bring a lot to our vision and our eyesight brings a lot to us. In this two-hour workshop, we will explore vision, preventive and remedial vision care.

Nutritional approaches to various common vision problems :

macular degeneration, dry eye, and cataracts

Cutting edge approaches to the treatment of eye disease :

micro-simulation, color therapy & more

There will be ample time for questions. Handouts will be provided on protocols for treating certain conditions.

Admission is just \$10 and may be applied towards your first vision therapy with Dr. Steinberg. Please call ahead to reserve your space. 724-331-9085
